I'm not looking for someone to talk to,  
I've got my friends,  
I'm more than OK,  
I've got more than a girl could wish for,  
I live my dream,  
But it's not all they say.

Still I believe (I'm missing)  
I'm missing something real.  
I need someone who really sees me

(Don't wanna wake)  
Don't wanna wake up alone anymore,  
Still believing you'll walk through my door,  
All I need is to know it's for sure,  
That I'll give  
All the love in the world.

I've often wondered if loves an illusion,  
Just to get you through,  
the loneliest days,  
I can't criticize it,  
I had no expectation,  
My imagination just stole me away

Still I believe (I'm missing)  
I'm missing something real.  
I need someone who really sees me

(Don't wanna wake)  
Don't wanna wake up alone anymore,  
Still believing you'll walk through my door,

All I need is to know it's for sure,  
That I'll give  
All the love in the world.

Love's for a lifetime,  
Not for a moment,  
So how could I throw it away?  
Yea, but I'm only human,  
And nights were colder,

With no one to love me that way.

Yeaa.. I need someone who really sees me

(Don't wanna wake)

And I won't wake up alone anymore,  
Still believing you'll walk through my door,  
You'll reach for me and I'll know it's for sure,  
That I'll give  
All the love in the world.

(Don't wanna wake up alone anymore) Alone  
(Don't wanna wake up alone) Don't wanna be alone  
(Don't wanna wake up alone) you'll reach for me  
(Don't wanna wake up alone) don't wanna wake up  
alone  
(Don't wanna wake up alone) still believing you're  
someone...  
(Don't wanna wake up alone)
