### **"Give Me A Reason"**

Give me a reason... (Give me a reason... Give me a reason...)

It's not romantic here in blue  
Swimming, swimming in blue  
You left me lonely and confused  
Question, questioning you  
So soon goodbye you stole my heart  
I'm believing you  
Was it a lie right from the start  
Answer, answer me do...

Well now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
And my defense's down - so just give me a reason  
Give me a reason  
Give me a reason

You'll never know the love I felt  
Waiting, waiting for you  
It takes a weak heart to forget  
Follow, follow it through

Well now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
And my defense's down - so just give me a reason  
Give me a reason  
Give me a reason  
Give me a reason...

*[Violin solo]*

So what's a girl like me to do  
Drowning, drowning in you  
And who's to save me from the blue  
Carry, carry me through

Cause now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
And my defense's down - so just give me a reason

I am strong enough - so just give me a reason  
Now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
My defense's down - so just give me a reason  
Give me a reason  
Give me a reason  
Give me a reason  
Give me a reason  
Give me a reason  
What did I do wrong...
