### **"Heart Like A Wheel"**

Some say the heart is just like a wheel  
When you bend it you can't mend it  
And my love for you is like a sinking ship  
My heart is on that ship out in mid-ocean

They say that death is a tragedy  
It comes once and then it's over  
But my one only wish is for that deep dark abyss  
For what's the use of living with no true lover

And it's only love and it's only love  
That can break a human being  
and turn him inside out  
That can break a human being  
and turn him inside out

When harm is done no love can be won  
I know it happens frequently  
What I can't understand please  
God hold my hand  
Is why it should have happened to me

And it's only love and it's only love  
That can break a human being  
and turn him inside out  
That can break a human being  
and turn him inside out

Some say the heart is just like a wheel  
When you bend it you can't mend it  
And my love for you is like a sinking ship  
My heart is on that ship out on mid-ocean  
And it's only love and it's only love  
And it's only love it is only love  
And it's only love it is only love  
And it's only love it is only love
