She's a girl in a world
She's movin' as fast as she goes
Loves her Mum and her Dad
the only secure that she knows

But at night, she's alone
She's dreamin' of somebody new
Her someone for to hold
She's prayin' the dream will come true

Show me the way show me, show me how?
Help me be brave, for love
Show me the way show me, tell me how?
What do you say?

There's a pain in her heart
She's tryin' so hard to unwind
Makes her cry in the night
When visions so real make her blind

Wants to break through the fear
Erasin' the scars from within
Start a new kind of being
She's down and she's prayin' again

Show me the way show me, show me how?
Help me be brave, for love
Show me the way show me, tell me how?
What do you say?

You see she's
Turnin' the key, unlockin' the door
(Turnin' the key)
Embracin' the roller coaster world
Steppin' outside, body and soul
(Steppin' outside)
Takin' whatever future holds
Turnin' the key, unlockin' the door
(Turnin' the key)
Embracin' the roller coaster world
Take it in stride, you're just twenty-five
(Take it in stride)

You know we've all been hurt before

You see she's

Turnin' the key, unlockin' the door
(Turnin' the key, unlockin' the door)

Embracin' the roller coaster world

Steppin' outside, body and soul

(Steppin' outside, body and soul)

Takin' whatever future holds

Turnin' the key, unlockin' the door

(Turnin' the key, unlockin' the door)

Embracin' the roller coaster world

Take it in stride, you're just twenty-five

(Take it in stride)

And you know we've all been hurt before

We've all been hurt before

So you're not alone, no

You're not alone
