(Hoo)

Well I feel ooh

I'm alone, hiding in the dark
I'm looking for a life to come and rescue me
I sleep, I rise, hear your denials, endlessly inside
It's crazy but

(Sometimes I feel like)
I wanna' to run away
(Sometimes I feel like)
I've gotta' get away
(One day you will see)
Another side of me
(My life I command)
It's not the way that you planned

(Hoo)
Leave me alone
(Leave me alone)
Leave me alone
(Hoo)
Out on my own
(Out on my own)
Leave me alone

What do you want from me?
Do you dream of a life, your life through me?
Myself, my time, in one we unite
I don't ever want to be that girl, you want it to be

(Sometimes I feel like)
But I wanna' to run away
(Sometimes I feel like)
I've gotta' get away
(One day you will see)
Another side of me
(My life I command)
It's not the way that you planned

(Hoo)
Leave me alone

(Leave me alone)
(Hoo)
Leave me alone
(Hoo)
Out on my own
(Out on my own)
Leave me alone
Hey

(One day you will see)
Another side of me
(My life I command)
It's not the way
It's not the way that you planned

Leave me alone
(Leave me alone)
(Hoo)
Leave me alone
(Hoo)
Out on my own
(Out on my own)
Leave me alone

(Hoo)
Leave me alone
(Leave me alone)
Leave me alone
(Hoo)
Out on my own
(Out on my own)
Leave me alone

(Hoo)
Leave me alone
(Leave me alone)
Leave me alone
(Hoo)
Out on my own
(Out on my own)
Leave me alone

(Hoo)
Leave me alone
(Leave me alone)
Leave me alone
