Oh, yeah, yeah-e-yeah

Just when I thought I was safe
You found me in my hiding place
I'd promised never again
I wouldn't give my heart, but then
Closer, closer I moved near you
The way I want you makes me fear you

Love breaks and love divides
Love laughs and love can make you cry
I can't believe the ways
That love can give
And love can take away

I find it hard to explain
It's crazy but it's happening
And I'm falling again
Much further than I've ever been
I'm falling deeper than the ocean
I am lost in this emotion

Love breaks and love divides
(Yeah, yeah-e-yeah)
Love laughs and love can make you cry
I can't believe the ways
(The ways)
That love can give
And love can take away

Ah, oh yeah
Ah, yeah, yeah-e-yeah
Ah, oh yeah
Love can give
And love can take away
(Take away)

Love breaks and love divides
(Yeah, yeah-e-yeah)
Love laughs and love can make you cry
(Love can make you cry)
I can't believe the ways

That love can give
And love can take away
(Love can take away)

Love breaks and love divides
Love laughs and love can make you cry
(Love can make you cry)
I can't believe the ways
That love can give
And love can take away
(Yeah, yeah-e-yeah)

Love breaks and love divides
(Love divides)
Love laughs and love can make you cry
(Love can make you cry)
I can't believe the ways
That love can give
And love can take away
