"Make You Mine"

Wandering, waiting for the day to fade away
So I can hold you once again
And chase the fears away

Lie with me
Show me how you feel
I'm falling for you deeper everyday

But when the night turns over
I'll lie with you
When the morning wakes you
I'm there by you

When the daylight takes you
I'll miss you
'Til you come back home to me
And I can make you mine, oh mine

Wanting you
Every waking moment, I'm on fire
(I'm on fire, I'm on fire)

Always needing you
I'm aching for you only, I'll never tire
[Incomprehensible]

Promise me
This is how we'll be
I'm falling deeper everyday

But when the night turns over
I lie with you
When the morning wakes you
I'm there by you

When the daylight takes you
I'll miss you
'Til you come back home to me
When you come back home to me

I'll break you, I'll chase you
You'll find that you can't stand to be away

Not for a day
(Not for a day)

And when life defies you
I'll be the soul you'll never go astray
And you'll be mine, mine, mine, mine
(Lie with me, loose reality)
I'm falling deeper everyday

So when the night turns over
I'll lie with you
When the morning wakes you
I'm there for you

When the daylight takes you
I'll miss you
'Til you come back home to me
And I can make you mine

When the night turns over
I'll lie with you
When the morning wakes you
I'm there by you

When the daylight takes you
I'll miss you
'Til you come back home to me
And I can make you mine, oh mine, oh mine
