Wondering, waiting for the day to fade away
So I can hold you once again and chase the fears away

Lie with me
Show me how you feel
I'm falling for you deeper everyday

When the night turns over
I'll lie with you
When the morning wakes you
I'm there by you
When the daylight takes you
I'll miss you
Til you come back home to me
And I can make you mine oh mine

Wanting you
Every waking moment I'm on fire (I'm on fire)
Always needing you
I'm aching for you only I'll never tire

Promise me
This is how we'll be
I'm falling deeper everyday

When the night turns over I'll lie with you
When the morning wakes you
I'm there by you
When the daylight takes you
I'll miss you til you come back home to me
When you come back home to me

I'll break you

I'll chase you
You'll find that you can't stand to be away
Not for a day (not for a day...)
Oh and when life defies you
I'll be the soul
You'll never go astray...
And you'll be mine, mine, mine, mine...

(Fly with me, loose reality)
I'm falling deeper everyday
So when the night turns over
I'll lie with you
And when the morning wakes you
I'm there for you
When the daylight takes you
I'll miss you
Til you come back home to me
And I can make you mine
When the night turns over
I'll lie with you
When the morning wakes you
I'm there by you
When the daylight takes you
I'll miss you til you come back home to me
And I can make you mine mine, mine, oh mine
Oh mine...
