"Rainy Day"

A bomb drops and no-one stirs
On a lazy summers evening
Seated with a man
She knows she shouldn't be with
But in his eyes, the lies surprise
Something she's been needing
A certain touch within her voice
Can tell you what she's feelin'

I want you
Need you
Yeah, I want you
I need you

And I'll be lyin' here waitin'
Hopin' lov'll come my way
(Save it for a rainy day)
But if the sun's still shinin'
I'll save it for another day
(Save it for a rainy day)

A door slams and suddenly
She's awoken from her dreams
Of late goodbye's and shadowed eyes
Those crazy summer feelings

I want you
Need you
Yeah, I want you
I need you

And I'll be lyin' here waitin'
Hopin' lov'll come my way
(Save it for a rainy day)
But if the sun's still shinin'
I'll save it for another day
(Save it for a rainy day)
Save it for a rainy day

I want you

Need you
Yeah, I want you
I'll need you

And I've been lyin' here waitin',
Hopin' lov'd come my way
(Save it for a rainy day)
But if the sun's still shinin'
I'll save it for another day
(Save it for a rainy day)

Yeah I'll be lyin' here waitin'
Hopin' lov'd come my way
(Save it for a rainy day)
But if the sun's still shinin'
I'll save it for another day
(Save it for a rainy day)
Save it for a rainy day
(Save it for a rainy day)
Save it for a rainy day
(Save it for a rainy day)
I'll save it for a rainy day...
Save it for a rainy day...
