Me Ire (The Hardest Day)

One more day, one last look  
Before I leave it all behind  
And play the role that's meant for us  
That said we'd say goodbye

cuentame otra vez  
si no es el mismo el sol de ayer el que se esconde hoy  
para ti para mi para nadie mas se ha inventado el mar

If I promise to believe will you believe  
That there's nowhere that we'd rather be  
Nowhere describes where we are  
I've no choice, I love you leave,  
Love you wave goodbye

And all I ever wanted was to stay  
And nothing in this world's gonna change, change

Never wanna wake up from this night  
Never wanna leave this moment  
Waiting for you only, only you  
Never gonna forget every single thing you do  
When loving you is my finest hour  
Leaving you, the hardest day of my life  
The hardest day of my life

Dejame que te de cada segundo  
envuelto en un atardecer de vida  
para ti para mi para nadie mas se ha inventado el mar

But I never will regret a single day  
Y ninguno sabia muy bien que hacer  
What I'm feeling for you  
aquella noche noche  
I will always love you leave,  
Love you wave goodbye

ieieie este, and all I ever wanted was to stay  
maldito atardecer  
Nothing in this world's gonna change...

Never wanna wake up from this night  
Never wanna leave this moment  
Waiting for you only, only you  
Never gonna forget every single thing you do  
When loving you is my finest hour  
I never knew I'd ever feel this way  
I feel for you...

Never wanna wake up, I feel for you, from this night  
Never wanna leave this moment  
Waiting for you only, only you  
Never gonna forget every single thing you do  
When loving you is my finest hour  
Leaving you, the hardest day of my life...  
Never wanna wake up from this night...
