Dancin' where the stars go blue  
Dancin' where the evenin' fell  
Dancin' in your wooden shoes  
In a wedding gown

Dancin' out on 7th street  
Dancin' through the underground  
Dancin' little marionette  
Are you happy now?

Where do you go when you're lonely?  
Where do you go when you're blue?  
Where do you go when you're lonely?  
I'll follow you

When the stars go blue, blue  
When the stars go blue, blue  
When the stars go blue, blue  
When the stars go blue

Laughing with your pretty mouth  
Laughing with your broken eyes  
Laughing with your lover's tongue  
In a lullaby

Where do you go when you're lonely?  
Where do you go when you're blue?  
Where do you go when you're lonely?  
I'll follow you

When the stars go blue, blue  
When the stars go blue  
When the stars, when the stars go blue  
When the stars go blue

When the stars go blue, blue  
Stars go blue  
When the stars go blue

Where do you go when you're lonely?  
Where do you go when you're blue? Yeah  
Where do you go when you're lonely?

I'll follow you

I'll follow you, I'll follow you

I'll follow you, I'll follow you, yeah yeah

Where do you go? Where do you go?

Where do you go? Where do you go?
