Blue, Blue (x2)

(Verse 1:)

Oh everything use to be colorful, I thought that what we  
had was gold.

Things use to be wonderful, but Now it's like the sun  
don't shine at all.

Don't even crack a smile no more can someone explain  
this to me

(Pre-chorus:)

At first I saw indigo, and then I saw baby blue and then  
thought of me and you

Can you hear Billy Holiday singing a heart away, Tears  
rolling down my face (x2)

(Chorus:)

All I see is Blue (Blue)

Everything is turning into Blue (Blue)

Im so sick of seeing Blue (Blue)

Every single different shade of Blue (Blue)

Blue

(Verse 2:)

No im not tripping feel it pumping threw my veins

My world is dripping of blue, Aint it shade

We use to be in love, I use to be enough

Until I saw you for who you really was!

(Pre-chorus:)

At first I saw indigo, and then I saw baby blue and then  
thought of me and you

Can you hear Billy Holiday singing a heart away, Tears  
rolling down my face (x2)

(Chorus:)

All I see is Blue (Blue)

Everything is turning into Blue (Blue)

Im so sick of seeing Blue (Blue)

Every single different shade of Blue (Blue)

Blue

(Brigde:)

I see nothing but the sky (I dont wanna see the clouds  
no more)  
Over and over again, Bring back the sunny days  
Bring back the color please, This can't be it for me

(Chorus:)

All I see is Blue (Blue)  
Everything is turning into Blue (Blue)  
Im so sick of seeing Blue (Blue)  
Every single different shade of Blue (Blue)  
Blue  
All because of you (you)  
Everything is turning into Blue (Blue)  
Im so sick of seeing Blue (Blue)  
Every single different shade of Blue (Blue)  
Blue
