"Be-In"

In my room,
Alone in my room.
I've been here for a while.
And can't you see
I'm holier when I,
I'm feeling good enough to try?
All the drugs that you bring,
If they're antiquated beyond belief,
Might just be good enough to get me high.

Am I,
Am I
My only, only, only friend
That I am, I
Am I
Am I
My only, only, only friend
That I am, I

In my gloom,
I'm only in my doom
And Ill be in for a while.
I used to think
While I sit and wait for the phone to ring
That I'd be happier if just I am.

Am I,
Am I,
My only, only only friend
That I am, I.
Am I,
Am I,
My only only only friend
That I am, I.

Only, only, only, only,
only, only, only, only,
Only, only, only, only,
only, only, only, only,
Only, only, only, only,

only, only, only, only,
only, only friend,
that I am, I.
