"(You Come In) Burned"

Well, you come in baby,
you will get burned.
Because I am just what I am, I've learned.
I slowly become some "why" that you live with.
And mama told you that you would get this.
Hey, I lost you when you took me in, my friend
Now against my will, I still stay out.
Waaaaay ouuuut.
Waaaaay ouuuut.

I am maybe a loser,
maybe a sinner.
Either way, a perpetual beginner.
Hey, I lost you when, when you took me in, my friend.
Now against, I still stay out.
waaaaay ouuuut.
waaaaay ouuuut.

Sssssssssh

Hey, I lost you when you took me in, my friend
Now against my will, I still stay out.
Waaaaay ouuuut.
Waaaaay ouuuut.
