"Everyone Is Totally Insane"

Hear me out, for I was joyful once
Like everyone
Hear me out, I must have changed
Sometime and all at once
Cos it seems
That nothing stays the same as certainly as me
And nothing stays the same but me

Well I have toiled and I have tamed
Constricted and constrained
Just to learn about how everyone is sane
Well I am old and I am lame
And ruthlessly (?) estranged
Ask me then what I have gained from almost everyone,
oh-oh

Hear me out, for I have everything in deep
Hear me out, I must have changed

Well I have toiled and I have tamed
Constricted and constrained
Just to learn about how everyone is totally insane, now
Well I am old and I am lame
And ruthlessly estranged
Ask me then what I have gained from almost everyone,
oh-oh

Hear me out, for I was joyful once
Like everyone
Hear me out, I must have changed
