### "Grunge Betty"

*[spoken]* people keep crawling in

heeeeeeeeeeeeeeeeeey!

Hey, we gotta rise today

Can't seem to find what I want you for

I open my eyes and I wake on the floor

You open the door and I wake on the floor

Can't seem to find what I'm wanting for

Cause lately, baby, im wasting

Tons of time

Tons of time

Tons of time

Heeeeeeeeeeeeeey!

Hey, we gotta rise today

I can't seem to find what I want you for

You open the eyes and I wake on the floor,

I open the door, and wake on the floor

I can't seem to find what I want you for

Cause lately, baby, I'm wasting

Tons of time

Tons of time

Tons of time

2, 3 4. Go

Tons of time

Tons of time

Tons of time

Tons of time

Tons of time

Tons of time

Tons of time
