#### **"I Am Over It"**

All right, let's see if we can do this in one toke - take.

I find out too late when I,  
I am over it  
And each time, dearly escape when I'm (enough said)  
Divine, fine

I am over it  
I am over it  
I am over it  
I am over it

I try to keep myself elated  
And in my right mind, uh-huh, uh-huh  
The one wrong song, telling me I've been here too long  
(enough said)  
And I'm gone.

I am over it  
I am over it  
I am over it  
I am over it

I find out too late when I,  
I am over it  
And each time, dearly escape when I'm (enough said)  
Divine, fine

I try to keep myself elated  
And in my right mind, uh-huh, uh-huh  
The one wrong song, telling me I've been here too long  
(enough said)  
And I'm gone.

I am over it  
I am over it  
I am over it  
I am over it  
I am over it  
I am over it

I am over it  
I am over it  
I am over it  
I am over it  
I am over it  
I am over it
