## "Scientist"

In me the scientist,  
Always stuck on, always trying this.  
I try to live on science alone.  
Analysis and freaky sensitivity,  
We've gotta live on science alone.

Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
We've gotta live on science alone.

Religiously, I'm speaking on the science, 'cause  
We've gotta live on science alone.  
I'll tell you what, Mathematically I'm having it.  
I wanna live on science alone.

Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
We've gotta live on science alone.

In me the scientist,  
Always stuck on, always trying this.  
I try to live on science alone.  
Analysis and freaky sensitivity,  
We've gotta live on science alone.

Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Cause I could live on science alone.  
We've gotta live on science alone.

Yeah, uh, I am a scientist.

Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.  
Yeah, uh, I am a scientist.
