Our love is forbidden
That just makes me want you more
I keep it all hidden
My in-laws would treat me like an outlaw
But I don't think I can just sit and watch
From afar
Something as beautiful as you are

Forbidden love
Oh you shouldn't have forbade it
Cause if this is
Forbidden love
I won't rest until I've made it
If you hadn't made a rule to break
Oh I might just have obeyed it
Might just have obeyed it
For a while

I tell myself that I've moved on
But I'm still crazy about you
And just because I'm not allowed
Doesn't mean that I don't want to
I don't think I can just be your mate
Anymore
Hell is the truth learned too late
If you didn't want

Forbidden love
Oh you shouldn't have forbade it
Cause if this is
Forbidden love
I won't rest until I've made it
If you hadn't made a rule to break
Oh I might just have obeyed it
For a while

Forbidden love
Oh you shouldn't have forbade it
Cause if this is
Forbidden love
I won't rest until I've made it

If you hadn't made a rule to break
I might just have obeyed it
For a while

Forbidden love
Forbidden love
Forbidden love
Forbidden love
