I would be so blue
I couldn't do this without you
Whatever else you do
Please don't leave
Don't leave me here
Choking in salt tears
Love you my dear
And I can't breathe

Oh you just keep me hangin' on
Oh you just keep me hangin' on
Oh you just keep me hangin' on
For all that I'm worth
'Til something better comes along
You just keep me hangin' on

I wanna shout
But I just can't get the words out
There ain't no doubt
I'd die for ya
Love you so much
Like a rabbit loves its hutch
I'm feeling such euphoria

Oh you just keep me hangin' on
Oh you just keep me hangin' on
Oh you just keep me hangin' on
For all that I'm worth
'Til something better comes along
You just keep me hangin' on

Hangin' on for dear life
I'm totally at your mercy
Hangin' on by a thread
If you leave me now I would die
I'd be dead.

Oh you just keep me hangin' on
Oh you just keep me hangin' on
Oh you just keep me hangin' on
For all that I'm worth

'Til something better comes along
You just keep me hangin' on
