[Cam'Ron]

Let's start the year off right man (that birthday shit)

Dip-Set man Jim Jones, Santana, Freaky, Killa

Enuff let's do it Killa

Uh, Up and now murja it's foul murder turkeys to

cowburgers the code to al murder

Child if you style or wild splurja

Stay away o.k. Mr Giles a hurt ya

I aint go to school stayed the hell at home

In the real estate dog I seen hell at homes

You was selling out I was selling homes

Selling dreams to the phone I cam sell the tone

In the science lab I mix mechemicals

In silicone fella in the vanilla cone

The school even play the recorder

Now days he work for FEDS

And plays his recorder

You think he placing he taping his order

Marking the bills j reed tasting the water[fucked up]

We duc taping his daughter

That's the taping they taught us

In addition add the eight and the quarters get it

In addition ma,yeah you get it dog

Gets it and ditch it kitchen wippen and flip it raw

Get it all off the kitchen floor

My bad is my bad the baddest ask me

What i'm bitching for

What i'm bitching for?

Is to put the is in all

Furs his or hers bitch go pitch it whore

No disrespect mami,no disrespect at all

In a year or two maybe youc an get a store

You should honor my cor

You wan't a honda accord

I'm trying to turn you into entrepreneurs

That's a real friend

That's a homie right right true

I fell that is only right

That I live the life of rally

I done did knives in alleys pipes in rallys

[What you do now]?

Now I catch flights to Cali

Looking for a wife to spouse I pipe her proudly

She understands my life gets rowdy

I'm the same say

Prane day i'm icy outley

[Juelz Santana]

Yo, Now I done been on both sides of the fence

Now I done been on both sides of the gate survived  
and escaped

Look at me now man i'm driving away

Thinking about my old teacher who said I rot and  
decay(never)

I go back and beep the horn at em

Blowing that cheech and chong at em

Yelling screaming the boy is platinum

It all happens so fast

They all imagine I crash

But I did straight threw i'm bad

Like Michael was see what the cycle does

360- spin around, i'm the new kid in town

Yeah it's coming soldier, April the month it's over

Yeah your run is over

The album is done I told ya

What a classic I made, I look up see Cam

See the game what a path that he made

A beautiful mind trapped in the shade

Cracking codes for the man

Who only stand in the back of my brain

At last I done came up in the ? ay

True author like the great doctor ? was

[Jim Jones]

You can't respect the amount jewels in this new wide

movement

If you don't respect the amount of dudes in this too live  
movement

Me and Killa, we like them, those two guys moving I-95  
south dirty

With them two pies moving moving

Trying to crease out the lightning

Trying to keep out the excitement

But is hard in this bull-shit in this game

Cause the secret indictments

And you coke experimenters

And you coke experiencers

Be easy on the phone dog, cause you know the hearing  
us

You styling them bitches

Cause you know they serious

Just picturing, it's so easy to draw

Stop and freeze at them whores

Then we speed off in cars

Then we breezing the law

Blowing that weed from my jaw

G's up hoe's down

EASTSIDE to by dog (EastSide)

All the time man

Thanks for even asking

Or we be seen in apens

In that pool house that hot tub with that steam relaxing

And we be seen in action  
Keep them fiends collapsing  
And they thirsty and they nodding and the be ?  
They see me my actions  
I cruise by in a beemer just laughing  
I let that rock and roll  
I coping poppy's load  
It was like coping gold,I shut down poppy's load  
I hit the strip dog  
I see the cops get load  
Now i'm living the life I got to stop and close  
Big cars big stars like it's rock and roll let's rock and  
roll  
[Jim Jones talking]  
Dipset this is Jim Jones man capo status  
Santana Killa The Don the album coming March nigga  
Diplomatic Immunity Enuff Heavyhitters happy  
birthday...nigga  
Zeekey where you at ?
