Fuck off, fuck off
Shut up! That's fucking bullshit
Blood taste like vanilla
Blood taste like vanilla

Fuck off, fuck off
With your righteous face
A monkey that only thinks about deceiving
So now, I ask the blind

Fuck off, fuck off
Fuck off, fuck off
Answer
Fuck off, fuck off

Shut up! That's fucking bullshit
The wily gun resounds: headless body
Fuck off, fuck off
The wily gun resounds: headless body
Fuck off, fuck off
So laugh your head off, I'm damned

Fuck off, fuck off
With your righteous words
Always in denial with that face
It's time to disappear

Fuck off, fuck off
Fuck off, fuck off
Pray
Fuck off, fuck off

Shut up! That's fucking bullshit
The wily gun resounds: headless body
Fuck off, fuck off
The wily gun resounds: headless body
Fuck off, fuck off
So laugh your head off, I'm damned

I say destroy, fuck off
I say destroy, fuck off

Fuck off, fuck off
Why... I live without felling the truth
I do not even know where love is

Shut up! 5times

The wily gun resounds: headless body
Fuck off, fuck off
The wily gun resounds: headless body
Fuck off, fuck off
So laugh your head off, I'm damned

Shut up! That's fucking bullshit
Shut up! That's fucking bullshit
Blood taste like vanilla
Blood taste like vanilla
