You want to spread your wings and fly, dreaming of the  
swallowtail butterfly.

You would seem to suit your she'd skin... daydream

Hit by the pounding rain, you couldn't move anymore

You're just waiting to become food... my mouth opens.

You're almost ready to take flight, so close to sprouting  
wings.

Still my adorable pupa, you are now... an adult aren't  
you?

You who loved the flowers, sucking the honey

Don't notice me as my beak comes at

Dear pupa, you blooming all over with fogura and  
escargot.

Show me tainted wings. I felt them flitting... from my  
stomach.

Castdown, suddenly shaken, you're broken apart, your  
wings tear off

Does a snakeskin suit you now?

Spinning you spin and spun, through a life of the same  
old same old.

Turning you turn and turned as you melt away,.

Shall we blend together into one?

Surely you're swimming the digestive juices like a  
mermaid,

Surely a pupa will sprout wings like a swallowtail  
butterfly.

If it's you I'll allow it,

Even if you are a cruel thing.

You forgot my legs on the ground

Don't leave them like that Ok?

Pinning you spin and spun, through a life of the same  
old same old.

Turning you turn and turned as you melt away,.  
Shall we blend together into one?

If it's you I'll allow it,  
Even if you are a cruel thing.  
You forgot my legs on the ground  
Don't leave them like that Ok?
