Rolled all over the wall
Making like a champion of right, you're a monkey.
One Twelve Two Eleven Three Ten Four Nine Death
Thirteen
Blow away the bastards who are all talk no action
Do you think me mad? does that please society?
Suck suck suck 'em all till the end mine death thirteen
Wrists made a reality, throb, Ain't fuckin' around
Mouth to Mouth
I can't hear the first cry,
Honey watching the chopping block from above.
A sacrificial flower stuffed into the refrigerator
The highly praised Serial Horror Show

Nobody's hell like mine
Dancing, you're a Majestic Baby
An Orange-d up Thirteen
Nobody's hell like mine
Screaming, you're a Majestic Baby
A clockwork Death Thirteen

Let's play with a Chainsaw
SUCK ME

Living true to yourself is a merit, there are no
shortcomings.
One Twelve Two Eleven Three Ten Four Nine Death
Thirteen
Screaming out, I'll blow you away.
Do you think me mad? is society glad?
Suck suck suck 'em all till the end mine death thirteen
Wrists made a reality, throb, Ain't fuckin' around

Nobody's hell like mind
Dancing, you're a Majestic Baby
An Orange-d up Thirteen
Nobody's hell like mind
Screaming, you're a Majestic Baby
A clockwork Death Thirteen
