Painted with saliva
A paling body was
Clung to within sight
A distorted picture of cruelty

Even emotionlessness is rotting
Dance a short life
The memory I saw at the end
You laughing... die

*

Psycho while warping, revolving
Psycho cruelty unchanging
Psycho Past Trap
Psycho Past Trip
By.... Death Trap

**

Lyrics - Kyo
Music - Kaoru

* The words Kyo mumbles here are:

You are not here
You are laughing
You are not here
I am not here

** The words Kyo mumbles here are:

You are not here
I am not here
You are not here
I am not here
I am coming
