Just between friends
Im a mess
Im a mess and I cant feel my heart beat

Lets pretend
Lets pretend
This is real
So get up off your feet

Woah I got that rhythm yeah, I got that rhythm
Feel your heart beat
Woah I got that rhythm yeah, I got that rhythm
Feel your heart beat

Lets run away (lets run away)
Make time stand still
Forget the day (forget the day)
Enjoy the thrill
'Cause you know ('cause you know)
I'll never ever leave you here my dear

And every time I try to find
The right word, the right lines
You come crawling back to me, to me

Woah I got that rhythm yeah, I got that rhythm
Feel your heart beat
Woah I got that rhythm yeah, I got that rhythm
Feel your heart beat

Lets run away (lets run away)
Make time stand still
Forget the day (forget the day)
Enjoy the thrill
'Cause you know ('cause you know)
I'll never ever leave you here my dear

Lets run away
Lets run away
Lets run away
Make time still
Forget the day

Just enjoy the thrill
'Cause you know
I'll never ever leave you here my dear

Lets run away (lets run away)
Make time stand still
Forget the day (forget the day)
Enjoy the thrill
'Cause you know ('cause you know)
I'll never ever leave you here my dear
