You're in my head tormenting me
I'm running scared in my time of need
Cuts on my head, cuts on my feet
I'm here waiting
So baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now it's me you deny
You're in my head tormenting me
I need a beginning
So baptize me
Baptize me
Baptize me

Hole in myself
Kills by degrees
Gift of compassion
You gave to me
Blistered my hands
On your beliefs
I'm here waiting so baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now it's me you deny
You're in my head tormenting me
I need a beginning
So baptize me
Baptize me
Baptize me

You're in my head tormenting me
And I'm running scared in my time of need
Cuts on my head, cuts on my feet
I'm here waiting...
Baptize me

Baptize me
Baptize me
Baptize me, hey
So baptize me
Baptize me
Baptize me
