### "My goodness"

I was knee deep  
In a sick love  
I was cross-eyed  
Under your drug  
Schizo savior  
My messiah  
A fatal worship  
You inspire

Good  
I dont believe in you now  
Ive seen too much  
I dont believe in you now  
My Goddess

You were counting  
On a freefall  
You laid your bet  
I would lose all  
Juggle all this  
Crucifixion  
I kicked that sick  
Own addiction

Damn  
I dont believe in you now  
Ive seen too much  
I dont believe in you now  
My Goddess

Now you see  
What you get when you lose yourself  
What you get when you dont know who you are  
When you dont know who you are  
My goddess

Gone  
I dont believe in you now  
Ive seen too much  
I dont believe in you now  
My Goddess

I dont believe in you  
I dont believe in you  
I dont believe in you  
My Goddess  
I dont believe in you  
I dont believe in you  
I dont believe in you  
My Goddess

My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess
