### "Ugly"

Are you ugly?  
A liar like me?  
A user, a lost soul?  
Someone you don't know  
Money it's no cure  
A Sickness so pure  
Are you like me?  
Are you ugly?

#### *[Chorus]*

We are dirt, we are alone  
You know we're far from sober!  
We are fake, we are afraid  
You know it's far from over  
We are dirt we are alone  
You know we're far from sober!  
Look closer, are you like me?  
Are you ugly?

Turn a blind eye  
Why do I deny?  
Medicate me  
So I die Happy  
A strain of cancer  
Chokes the answers  
Are you like me?  
A liar like me?

#### *[Chorus]*

I don't care, you don't care  
I'm bitter, you're angry.  
You don't care, I don't care  
You love you, just like me  
I blame you, you blame me  
I'm bitter, you're angry.  
You don't care, I don't care  
You love you, like me

#### *[Chorus]*

Are you Ugly? [X3]
