### **"Heavy In Your Arms"**

I was a heavy heart to carry  
My beloved was weighed down  
My arms around his neck  
My fingers laced to crown.

I was a heavy heart to carry  
My feet dragged across ground  
And he took me to the river  
Where he slowly let me drown

My love has concrete feet  
My love's an iron ball  
Wrapped around your ankles  
Over the waterfall

I'm so heavy, heavy  
Heavy in your arms  
I'm so heavy, heavy  
Heavy in your arms

And is it worth the wait  
All this killing time?  
Are you strong enough to stand  
Protecting both your heart and mine?

Who is the betrayer?  
Who's the killer in the crowd?  
The one who creeps in corridors  
And doesn't make a sound

My love has concrete feet  
My love's an iron ball  
Wrapped around your ankles  
Over the waterfall

My love has concrete feet  
My love's an iron ball  
Wrapped around your ankles  
Over the waterfall

I'm so heavy, heavy  
Heavy in your arms  
I'm so heavy, heavy  
So heavy in your arms

This will be my last confession  
I love you never felt like any blessing  
(Ohhhh)  
Whispering like it's a secret  
Only to condemn the one who hears it  
With a heavy heart

Heavy heavy i'm so heavy in your arms  
(i'm so) Heavy heavy i'm so heavy in your arms  
(i'm so) Heavy heavy i'm so heavy in your arms  
(i'm so) Heavy heavy i'm so heavy in your arms

I was a heavy heart to carry  
my beloved was weighed down  
My arms around his neck  
My fingers laced to crown

I was a heavy heart to carry  
But he never let me down  
When he had me in his arms  
My feet never touched the ground

I'm so heavy, heavy in your arms.

Heavy, i'm so heavy in your arms.
