There's nothing to do here  
All just lie and complain  
In bed at the hospital  
Coming and going  
Asleep and awake  
In bed at the hospital

I've got one friend  
Laying across from me  
I did not choose him  
He did not choose me  
We have no chance  
Of recovering  
Laying in hospitals  
Joy and misery  
Joy and misery  
Joy and misery

Put out the fire boys  
Don't stop, don't stop  
Put out the fire on us

Put out the fire boys  
Don't stop, don't stop  
Put out the fire on us

Bring your buckets by the dozen  
Bring your nieces and your cousins  
Oh, put out the fire on us

Bring your buckets by the dozen  
Bring your nieces and your cousins  
Oh, put out the fire on us

I've got one friend  
Laying across from me

I did not choose him  
He did not choose me  
We have no chance  
Of recovering  
Laying in hospitals  
Joy and misery  
Joy and misery  
And joy and joy and joy and joy and joy and joy and misery.
