#### **"Hurricane Drunk"**

No walls,  
Can keep me protected  
No sleep,  
Nothing inbetween me and the rain  
And you can't save me now,  
I'm in the grip of a hurricane  
I'm gonna blow myself away.

I'm going out,  
I'm gonna drink myself to death  
And in the crowd  
I see you with someone else,  
I brace myself,  
Cause I know it's going to hurt,  
But I like to think at least things can't get any worse.

No home,  
I don't want shelter,  
No calm,  
Nothing to keep me from the storm,  
And you can't hold me down,  
'Cause I belong to the hurricane,  
It's gonna blow us all away.

I'm going out,  
I'm gonna drink myself to death  
And in the crowd  
I see you with someone else,  
I brace myself,  
Cause I know it's going to hurt,  
But I like to think at least things can't get any worse.

I hope that you see me,  
Cause I'm staring at you,  
But when you look over,  
You look right through,  
Then you lean and kiss her on the head,  
And I never felt so alive, and so.. dead.

I'm going out,

I'm gonna drink myself to death  
And in the crowd  
I see you with someone else,  
I brace myself,  
Cause I know it's going to hurt,  
I'm going out, woah-oh-o

I'm going out  
I'm gonna drink myself to death  
And in the crowd  
I see you with someone else,  
I brace myself,  
Cause I know it's going to hurt,  
I'm going out, woah-oh-o  
I'm going out, woah-oh-o  
I'm going o-o-o-o-o-out  
I'm going out, woah-oh-o  
I'm going out.
