Looking up from underneath  
Fractured moonlight on the sea  
Reflections still look the same to me  
As before I went under

And it's peaceful in the deep  
Cathedral where you cannot breathe  
No need to pray, no need to speak  
Now I am under all

And it's breaking over me  
A thousand miles down to the sea bed  
Found the place to rest my head  
Never let me go  
Never let me go

And the arms of the ocean  
Are carrying me  
And all this devotion  
Was rushing out of me  
In the crushes of heaven  
For a sinner like me  
But the arms of the ocean  
Delivered me

Though the pressure's hard to take  
It's the only way I can escape  
It seems a heavy choice to make  
And now I am under all

And it's breaking over me  
A thousand miles down to the sea bed  
Found the place to rest my head  
Never let me go  
Never let me go

And the arms of the ocean  
Are carrying me  
And all this devotion  
Was rushing out of me  
In the crushes of heaven  
For a sinner like me  
But the arms of the ocean  
Delivered me

And it's over  
And I'm going under  
But I'm not giving up  
I'm just giving in

I'm slipping underneath  
So cold and so sweet

And the arms of the ocean  
So sweet and so cold  
And all this devotion  
I never knew at all  
In the crushes of heaven  
For a sinner released  
In the arms of the ocean  
Delivered me

(Never let me go, never let me go)  
Deliver me

(Never let me go, never let me go)  
Deliver me

(Never let me go, never let me go)  
Deliver me

(Never let me go, never let me go)  
And it's over

And I'm going under  
(Never let me go, never let me go)

But I'm not giving up  
I'm just giving in

(Never let me go, never let me go)  
I'm slipping underneath

(Never let me go, never let me go)  
So cold and so sweet
