You are the hole in my head
You are the space in my bed
You are the silence in between
What I thought and what I said
You are the night time fear
You are the morning when it's clear
When it's over you're the start
You're my head
You're my heart

(Chorus)

No light, no light in your bright blue eyes
I never knew daylight could be so violent
A revelation in the light of day
You can't choose what stays and what fades away
And I'd do anything to make you stay
No light, no light
No light
Tell me what you want me to say

Through the crowd
I was crying out and
In your place
There were a thousand other faces
I was disappearing in plain sight
Heaven help me, I need to make it right

You want a revelation
You wanna get it right
But, it's a conversation
I just can't have tonight
You want a revelation
Some kind of resolution
You want a revelation

(Chorus)

Would you leave me
If I told you what I've done?
And would you leave me
If I told you what I've become?
'Cause it's so easy
To say it to a crowd
But it's so hard, my love
To say it to you alone

(Chorus)

You want a revelation
You wanna get it right
But, it's a conversation
I just can't have tonight
You want a revelation
Some kind of resolution
You want a revelation

You want a revelation
You wanna get it right
But, it's a conversation
I just can't have tonight
You want a revelation
Some kind of resolution

Tell me what you want me to say
