So far from me  
Stands a man known as Disease  
He's checking out for hands  
Of the people that he meets

And now, you just don't see me anymore  
Oh I've been losing everything  
You just don't see me anymore  
I'll wait for him

You could be  
I would wait for the chance  
Would I go?  
Would I ever see that?

I know the things you say when you, you say everything  
I don't need much  
But I know, that it's not enough

Oh and you know it's such a drag  
You live your life for a heart attack  
You live the things that you understand  
You don't want to get  
I don't want to know  
I just can't see the way  
It's been...

So go would you go?  
Would you go?  
Would you ever want to fall?  
Would I know?  
Would I know?  
Would I want to make it down?  
Would you say?  
Would you say?  
Would you say what you never wanna?  
Don't wanna go, wanna go, wanna know?  
Just what I

{Piano}

I could use this  
Would you forget all the things that you said?  
But you, don't wanna wait for the time  
I was outta line  
I don't wanna wait

Would you stay?  
Would you ever stay  
And dont you know that its such a drag  
You live your life for a heart attack  
You live your life for a heart attack  
Youre never gonna get this way  
I just can't slip away anymore  
Well I've been losing everything  
You just don't see me anymore...
