Sing to me
All your word and memories
You sing to me
All the songs from far away

Bring to me
Peace of everything you've seen
Bring to me
All the stories
All there is

Break the waves
you bring me harbours that I've wished upon
and there names
they have built cities in my heart

I always knew that you were more of a doer
than I ever was
You always knew that I was more of a dreamer
than you ever were

Paint for me
Every face that you have met
Paint for me
All the places land and seas

Honestly
You don't have to speak the truth
honestly
As long as it's all reel to you

Break the waves
you bring me harbours that I've wished upon
and there names
they have built cities in my heart

I always knew that you were more of a doer
than I ever was
You always knew that I was more of a dreamer
than you ever were

And I was

Sending out all of them riverboats
Into unending
Sending out all of them riverboats
