I called up to talk to you yesterday  
You said you must be crazy or okay  
You said it's not the fever  
You said it's not the flu  
If I'm not burning up because I'm sick  
I'm burning up because of you

L-O-V-E love sick  
L-O-V-E love sick  
Pick up I might be coming down with a broken heart\*  
You got me L-O-V-E love sick  
Searching for a cure, yeah  
I tell it  
Pick up I might be coming down with a broken heart\*

It's nothing like a million band  
That just can cover up  
'Cause I'm falling for you so hard  
That I can't get up

My heart rate's up and climbing  
My temperature's hot and rising  
If I'm not burning up because I'm sick  
I'm thinking it's because I like it

L-O-V-E love sick  
L-O-V-E love sick  
Pick up I might be coming down with a broken heart\*  
I tell it  
Pick up I might be coming down with a broken heart\*

I can't eat, yes  
I can't sleep  
What you want is keeping me off my feet  
I think I really got it bad this time  
Emergency you're the only one  
You're my medicine, call 911  
I'm sick in bed 'cause you're in my head  
I'm in love

You got me L-O-V-E love sick

L-O-V-E love sick  
Pick up I might be coming down with a broken heart\*  
You got me L-O-V-E love sick  
Searching for a cure, yeah  
I tell it  
Pick up I might be coming down with a broken heart\*
