You say I'm just a friend, and that's a rule we couldn't
bend,
I'm done with trying to pretend.
Now it's strictly metaphor, Now I'm onto something
more, I'm stuck in the middle of two doors.

All this time that I've been waiting,
Mixed and matched and rearranging, you might,
be my Mr. Right.
You and I been friends forever,
never thought that you would ever be my,
be my Mr. Right.
Mr. Right X3
My best friend is my Mr. Right

I've known you all my life,
you were always by my side.
It's getting way too hard to hide it.
Talk for hours on the phone,
until I hear the dial tone.
I wonder if you've ever known...

All this time that I've been waiting,
Mixed and matched and rearranging, you might,
be my Mr. Right.
You and I been friends forever,
never thought that you would ever be my,
be my Mr. Right.
Mr. Right X3
My best friend is my Mr. Right

Nobody knows you,
better than I do.
I just wanna be with you.

All this time that I've been waiting,
Mixed and matched and rearranging, you might,
be my Mr. Right.
You and I been friends forever,
never thought that you would ever be my,
be my Mr. Right.

All this time that I've been waiting,
Mixed and matched and rearranging, you might,
be my Mr. Right.
You and I been friends forever,
never thought that you would ever be my,
be my Mr. Right.
Mr. Right X3
My best friend is my Mr. Right
