### **"You Won't Be Fooled By This"**

Don't you give up and say that you're stuck  
Surrounded by foolish things  
Now that you've had all that was bad  
I know now what I must bring

To all my friends you haven't changed  
You all still think that

You won't be fooled by this  
You won't be fooled by this  
You won't be fooled by this  
You won't be fooled by this

What's left to say I'm on my way  
I don't know what you have said  
I'm not what has, all then were sad  
I know now that I can change

And now and then as I close my eyes  
My foolish ways goes and becomes my pride

You won't be fooled by this  
You won't be fooled by this  
You won't be fooled by this  
You won't be fooled by this
