If you live a lonely, lonely life
You got to be aware
And if you've been constantly asking why
You got to be aware
Cos' you got nothing to say
God knows you got nothing to say
I'm on the phone for much too long
Dial happiness today
If you got an all-consuming need
You got to be aware
And if you got heart or lung disease
You got to be aware
Cos' we got bills to pay,
God knows we got bills to pay,
Pick up the ball in the telephone,
Dial happiness today
You wanna live a life, girl
You gotta be aware

I got 1000 answers, one's gotta be right
Give me 1000 chances and I'll get it right

And it does it up with all the lies
You get to be aware
Then I'll give you all an answer why
You got to be aware
Cos' you got nothing to say
God knows you got nothing to say
I'm on the phone, for far too long
Dial happiness today
You wanna live a life, girl
You gotta be aware

I got 1000 answers, one's gotta be right
Give me 1000 chances and I'll get it right
I got 1000 answers, one's gotta be right
Give me 1000 chances and I'll get it right
I got 1000 answers, one's gotta be right
I got a million answers, one's gotta be right
Got a bazillion answers, one's gotta be right
