"Diabolic Scheme"

Alive!

Dead!

I was inside your head!

Had time well spent, I got your mind well bent

Snuck back into shade

Ooooooooooooooooooooo

You searched the globe for them perfect looks

And you searched for answers in all your books

And finally by diabolic ascent here I am

Said it's just a diabolic

A diabolic scheme

Diabolic scheme

Said it's just a diabolic

A diabolic scheme

Diabolic scheme

That's me all right, like purity white, and like

viciousness black

I give a little then I take it back

Can you take it?

Ooooooooooooooooooooo can you take it?

Yeah!!

Ooooooooooooo

So what's the attraction?

The suckers sing

Prolific depth or static cling?

Well from greatness to greatness is where I span

You have me for a moment grab on while you can

Said it's just a diabolic

A diabolic scheme

Diabolic scheme

Said it's just a diabolic

A diabolic scheme

Diabolic scheme

Oooo, oooo, oooooooooo oo ooo

Oooo, oooo, oooooooooo oo ooo

Thank you!
