"Die, All Right!"

Hey! I've got a message and tonight and Im gonna send it.

Yeah! I had a body and men with knives wanted to lend it.

Sold my body to the company
so I got the money now away I go and I say thank you
Mr CEO.

Hey! I've got some money and tonight Im gonna spend it.

Yeah! They gave me a paper
and I went ahead and penned it and I say thank you Mr
CEO.

I filled my pockets now I might as well -
Die! cause I found the backdoor out of teenage hell - all
right!

Filed my account cause I might in fact - Die!
But I rely on science, yeah to bring me back - all right.
I.....'m gonna die....

Heavy morals seem so light but when it comes to cash
I'm gonna die all right!

Hey! I lost the money seems like I can't comprehend it.

Yeah! Got a hole in my head gotta gotta mend it.

Too messed up to sit and settle down.

Too messed up to even mess around.

Thats why your smiling Mr CEO.

I filled my pockets now I might as well -

Die! cause I found the backdoor out of teenage hell - all
right!

Filed my account cause I might in fact - Die!

But I rely on science, yeah to bring me back - all right.

I.....'m gonna die.... but not right now

Yeah why don't you do the same?

I got the money now I can't complain.

Except the tics won't go away oh no, oh no, oh no, oh
no!

And the way I feel tonight is gonna make me die all
right.

I filled my pockets now I might as well - Die! cause I
found the backdoor out of teenage hell - all right!

Filed my account cause I might in fact - Die!

But I rely on science, yeah to bring me back - all right.
I.....'m gonna die....
Heavy morals seem so light but when it comes to cash
I'm gonna die all right!
