"Here We Go Again"

MotoLyrics

A neon light is seen above every average teen. A sign spelling out a word that none of us has heard. Fourteen bucks today and I get a new life tommorow a new product rejects unhappy moments and sorrow. I'll take this one and that one and then some more. I'll use a piece of paper and the almighty pen - here we go again. A voice inside of me says insufficiency how come it worked out for you? I better try something new. Not satisfied just yet - wanna recieve and get. I believe that word my inner voiceis never left unheard.
