"Square One Here I Come"

Well don't have no money cause I don't have a job
Don't have a job cause I ain't got no skills
Ain't got no skills 'cause I was not trained
I was not trained 'cause I didn't go to school
Didn't go to school 'cause nobody told me
Nobody told me 'cause nobody knew shit
Nobody knew shit 'cause nobody knows nothing
Nobody knows nothing and that's just it

What can you do? You get what's given to you
Square one, here I come, here I come square one
You get what's given to you
Square one, here I come, here I come square one

Don't have a home 'cause I don't pay no bills
Don't pay no bills 'cause nobody pays me
Nobody pays me 'cause I don't go to no work
Don't go to no work and that's just it

What can you do? You get what's given to you
Square one, here I come, here I come square one
You get what's given to you
Square one, here I come, here I come square one

I know what you say to me, but baby it can wait
I just stop, take a look around and realize it's too late

No job, no skills, no money, no nothing
No nothing 'cause I want it for free - Dirt cheap!
Want it for free, all that is coming to me

So I look real hard for somebody to blame
Someone to blame!
Somebody to blame or an easy way out
Easy way out!
An easy way out 'cause it ain't much fun
No fun!
The place that starts with a square and ends with a one

What can you do? You get what's given to you

Square one, here I come, here I come square one
You get what's given to you
Square one, here I come, here I come square one

Let down
You feel stupid
Don't cry
Can't do it
You can't win
Don't you forget it
You missed out
You get what's given to you

Square one here I come, here I come square one! [x4]
You get what's given to youuuuuuu...
