"Two-Timing Touch And Broken Bones"

It's official, Full Judicial.
Ends in physical, this i know.
Best keep quiet,
You dont listen to me anyway.
Your gonna lose and it's gonna show. Its far to late to
avoid so.
Oh what's that sum, it added up to nothing cause your
much too dumb.

Two-timing touch and broken bones [x4]

Bad decision, Repition,
Should you listen, or let it go.
Best say something,
When your thinking that you'll get it back.
But, it's too late to avoid it so.
It's far too late and I gotta know
Oh whats that sum, it added up to nothing because
you're much too dumb.

Two-timing touch and broken bones [x8]
