Movin' the thong, showin' pussy, let me see it shake

After a long night of this hit, she gon' remember me  
Man what's this ho name again, oh it's Tiffany  
Two minutes before Weebie came on, she be kissin' me  
Baby mom came by the bar tryin' to be messy  
Hangin' with these stupid ass hoes lookin' all nasty  
Workin' all play it off like I don't see this ho  
Try to shake me up if ya want but I'ma beat a ho

Throwin out they child support, aught to be glad bitch
