So sorry, that you're gone, I never meant to hurt you,  
no no  
And leaving you was wrong, I thought I was in love with  
Some one new, but the only one is you...

*[Chorus:]*

And while being with him, looking at him, I'm thinking  
of you,  
(I can't let go)  
Whatever we do, I'm telling the truth, my heart is with  
you,  
(I want you to know)  
I wanna go back but I can't do that, cause I crossed the  
line,

and I can't turn back time

I think I'm gonna fall, cause you're not there to hold  
me, oh oh  
And he's not like you at all, but I know it's too late, I  
made my  
choice, but still I hear your voice...

*[Chorus]*

*[Bridge:]*

I'd like to give you all of me, tonight, ironically you'll  
never see... ooh  
Break

*[Chorus (2x)]*
