What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now

I could be wrong but I'm not
And you still think you weren't hard
I don't wanna believe that it's over now

Can you tell me your secret?
Then I'll tell you mine
Show me that you still love me
Then I will show real love, oh, baby

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now

I could be wrong but I'm not
And you still think you weren't hard
I don't wanna believe that it's over now

You are walking the wire
Looking for love in between
But you don't have desire
Do you know what I mean? Oh, baby

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now

I could be wrong but I'm not
And you still think you weren't hard
I don't wanna believe that it's over now
It's over now

Wake up, you lose my loving
Wake up, you stop thinking
Think twice about the things
That you have said and done

Wake up, you lose my loving
Wake up, you stop thinking

Think twice about the things
That you have said and done

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now

I could be wrong but I'm not
And you still think you weren't hard
I don't wanna believe that it's over now
It's over now
