(Chorus)

Let me show you the way
It's a game that we play
Oh everyday so easy
Let me show you the way
Oh just say what you say
So easily

(Verse 1)

The way of your touch is always heavenly
And I love the way that you are lovin' me
You wrapped me up in the colour of your love
You must be an angel high from above in the game of
the heart
You know I know that you are mine

(Chorus)

Let me show you the way
It's a game that we play
Oh everyday so easy
Let me show you the way
Oh just say what you say
So easily

(Verse 2)

Are you gonna be there when I need someone
And will I be always just the only one
I don't wanna have just another heartbreak
So tell me is your love true or a fake in the game of the
heart
You know I know that you are mine

(Chorus)

Let me show you the way
It's a game that we play
Oh everyday so easy
Let me show you the way
Oh just say what you say
So easily

One kiss
One love

One word
One vow with nothin' more
One life
One dream
Gonna save it save it for me

(Chorus)
Let me show you the way
It's a game that we play
Oh everyday so easy
Let me show you the way
Oh just say what you say
So easily

(Show you the way)
Show you the way
Game that we play
Everyday so easy
Let me show you the way
Oh just say what you say
So easily

Let me show you the way
