Sometimes I feel our love is strong
Sometimes I think our love is wrong
Are we really meant to be or should I break free

I never quite know which way to turn
So far there's just one little thing that I've learned

It's never gonna stop this crazy thing called love
'Cause it's a, it's a rollercoaster ride
At one point I'm on the side, next thing I'm almost
flying
'Cause it's a, it's a rollercoaster ride

Sometimes I'm up, sometimes I'm down
Sometimes I'm spinning round
And it's never gonna stop this thing called love

Sometimes I almost hit the breaks
But then I think about what's so steak
You're the only one I love so I decide not to stop

I never quite know which way to turn
So far there's just one little thing that I've learned

It's never gonna stop this crazy thing called love
'Cause it's a, it's a rollercoaster ride
At one point I'm on the side, next thing I'm almost
flying
'Cause it's a, it's a rollercoaster ride

Sometimes I'm up, sometimes I'm down
Sometimes I'm spinning round
And it's never gonna stop this thing called love
Yeah, yeah, yeah

I changed my mind about a million times
I wanna walk away but my heart wants to stay
So I don't know
I'm never quite sure about which way it's gonna go

It's never gonna stop this crazy thing called love
'Cause it's a, it's a rollercoaster ride

At one point I'm on the side, next thing I'm almost
flying
'Cause it's a, it's a rollercoaster ride

It's never gonna stop this crazy thing called love
'Cause it's a, it's a rollercoaster ride
At one point I'm on the side, next thing I'm almost
flying
'Cause it's a, it's a rollercoaster ride

Sometimes I'm up, sometimes I'm down
Sometimes I'm spinning round
And it's never gonna stop this thing called love

Sometimes I'm up, sometimes I'm down
Spinning round and round
Sometimes I'm up, sometimes I'm down
Spinning round and round
